RECOGNITION OF OUR SERVICES

■ Overview:

Our top client list proudly designates **Connect Worldwide Cargo LLC** as one of its preferred partners in air freight operations. This collaboration spans various critical areas, ensuring the provision of seamless international logistics solutions.

■ Air Imports:

We specialize in air imports from diverse regions, with a focus on Turkey, the United Kingdom, Europe, Africa, and GCC countries. **Connect Worldwide Cargo LLC's** reliable services contribute to the efficient handling and timely delivery of these imports.

■ Air Exports:

Our partnership extends to air exports covering GCC countries, Europe, Azerbaijan, Singapore, Georgia, Armenia, and the USA. We have established a robust tie-up with **FedEx Express** for transporting automotive spare parts for prestigious brands such as **Audi, Volkswagen, Jaguar, Land Rover, and Mercedes.**

We have partnered with a top brand – undisclosed as preferred client secrecy and contract signed with an NDA. We have started **AOG spare parts from UAE**, A 24/7 manned desk to serve our clients and to ensure we move the critical parts which enable the Aircrafts to leave as scheduled on-time from the AOG airport. We move the parts with a bonded truck and airside registered truck direct to the Aircraft for quick part change and departure.

■ Cross Trade Services:

Connect Worldwide Cargo LLC adds further value through its comprehensive Cross Trade Services, facilitating seamless trade between countries without the need for goods to pass through the home country. This capability enhances the flexibility and efficiency of our logistics solutions.

■ Volume and Specialization:

With a substantial volume of approximately 150-200 tons per week, including general cargo and dangerous goods, our collaboration ensures the safe and secure transportation of goods. The expertise of **Connect Worldwide Cargo LLC** aligns seamlessly with our commitment to handling diverse cargo types efficiently.

■ Key Strengths:

- Proven track record in handling air imports and exports with precision.
- Specialized expertise in transporting automotive spare parts for renowned brands.
- Adherence to strict safety standards for the transportation of dangerous goods.
- Consistent and reliable services to meet the weekly volume requirements.

■ Conclusion:

Our top 10 clients, value the collaborative relationship with **Connect Worldwide Cargo LLC**, which plays a pivotal role in providing top-notch air freight solutions. Together, we aim to continue delivering excellence in international logistics, meeting the unique requirements of our clients and ensuring the success of our partnership.
